Dear Civic Society Member,

Regrettably in these very uncertain and difficult times, your Executive Committee have taken the decision to postpone our AGM, which normally would have taken place this month, to later this year, or maybe even next year (2021). We propose to keep in place our current Executive Committee, and indeed have been active through the past months communicating with each other by email in particular on relevant planning and other matters that have arisen during the period of Lockdown.

Our Treasurer is waiting for news that the accountancy firm we use to inspect our accounts are back at work and as soon as it is practicable, we shall send out our accounts for 2019/20 by email. We shall continue to act as best we can on your behalf until things return to some kind of normalcy. We appreciate that even where/when Government advises we can meet up again in groups, that there will be many of our members who will feel apprehensive of so doing, and shall be bearing that in mind in our forward planning.

Please let me know if you have any objection to the course of action we wish to take. It seems to us to be the most sensible and the simplest option for us all.

Also, do not hesitate to contact me (by email, post, or telephone) if you have any matters you'd like the Civic Society to look into or any ideas as to how we move forward.

The world seems to be, and will continue to be, very different now, but we hope that we can remain an active force in ensuring a better and brighter Burton for years to come.

Do take care, keep safe,
All the very best,

Valerie Burton
President, Burton upon Trent Civic Society
