

A **'Highly Commended' Environmental Award** went to:

Tower View Primary School, Winshill for their success in using an extensive school site to engage and educate children in safe interaction with the environment.

Activities at the school include: 'Forest School' sessions, outdoor classroom, wild areas to encourage nature, tree planting, apple orchard, allotments, garden plots, school-based planters, poly-tunnels to grow their own plants, and development of a community sensory garden.

(l – r) Valerie Burton, Andrew Ridout (headteacher), Ms Joanne Hakes (teacher), & Richard Stone with children from Year 4 representing Tower View School.

The **Olga Lloyd Award** went to:

Burton Albion Community Trust and recognises their provision of an extensive programme of sporting activities and opportunities for young people.

(l - r) John Widdowson (Community Operations Manager, BACT), Valerie Burton, Matt Hancock (Head of Community, BACT), Richard Stone.
